

# Be Ready!

## Emergency Supply Kit Checklist

Emergencies can be scary, but you and your family can get prepared by building an emergency supply kit. The items below should be in your family's emergency supply kit. Check off the items as you color them!

- water
- food
- can opener
- eating utensils
- tool knife
- whistle
- radio with extra batteries
- flashlight with extra batteries
- well-stocked first aid kit
- first aid book
- dust masks
- plastic sheeting
- duct tape
- matches
- moist towelettes
- anti-bacterial gel
- toilet paper
- garbage bags
- plastic ties
- cash
- pet food and water
- emergency contacts
