Please join us at one of the above July Bi-Monthly Meetings to:

- Get an overview of the Program schedule.
- Get an update on the design of the West Baltimore MARC Station.
- Learn about upcoming construction activities.
- Learn how to stay connected.

Note: The same information will be shared at both the virtual and in-person meeting.

If you require special accommodations under the Americans with Disabilities Act or require language translation services (free of charge), please contact a member of the outreach team at (443) 423-1115.
