## Public Information Session

### Connecticut River Bridge Replacement Project

Amtrak® is building a new, modern, two-track, electrified, movable bridge to replace the existing Connecticut River Bridge. Join us to learn more about the planned construction activities and how Amtrak is improving future service reliability for passenger rail customers and local community maritime operations.

- Meet the team
- View presentation and video
- Hear about the planned construction

**WHEN:** Thursday, July 18, 2024

6:00 PM to 7:30 PM

**WHERE:** Vicky Duffy Pavilion

155 College Street, Old Saybrook, CT

As seating is limited, you can also join via [Zoom link](#):

Meeting ID: 864 9515 7539 Passcode: 55555
